S.E.M.C. Division I Champs

The 1987 Somerset High Volleyball Team, captained by Lisa Mongeon, had an unforgettable season. According to Coach Ted Porada, the win over Case, whose record was 33-0, proved that the Raiders were a threat to the other teams. After their win over Durfee, the Raiders captured the S.E.M.C. Division I championship. Then after defeating New Bedford, first seeded Somerst advanced to the South Sectional Championship. Somerset's winning streak came to an end after a win over Feehan, but were defeated by Stoneham. S.E.M.C. All Stars: Felicia Gedacht and Lisa Mongeon, honorable mention: Heather O'Keefe-Overall record 18-3

Field Hockey

The 1987 field hockey season was one to be remembered. With eleven seniors playing together for their fourth year, the team placed second in the Southeastern Massachusetts Conference Division 1 League. The girls then went on to the state tournament seeded tenth. The Raiders defeated seventh seeded Duxbury and second seeded Canton (1-0) before losing to Walpole (2-1) in the semi-finals.

The 12-4-2 conference record was highlighted by victories over Dartmouth, Durfee, Case, and Stang. The Raiders led by Tri-captains: Diane Bernardo, Kathy Mendes, and Lisa Geary, and coached by Sue Curt, went farther than any team in the past five years.

Diane Bernardo, a second year Herald allstar and a member of the Boston Globe allstar team, led the offense of the mighty Blue Raiders and was the league's leading scorer with 16 goals. While on the defensive end, Tracey Kerrigan had an allstar season. In goal, Kathy Mendes posted 7 shutouts.

The 1987 Cross Country Season went well for us. We pulled the team together rather quickly considering most of the members were novice runners. A few of the high points of the season are as follows: Freshman boy's win at the Seekonk Invitational, excellent performance at our Conference Meet, and the overall win at Coyle Cassidy. The captains for this year were Pat Lockett, Heidi Thompson, and Dave Sullivan. All of our senior members were dependable in helping with the leadership of the team. The newly elected senior captains for 1988, Kerry Fitzsimmons and Thad Burgmeyer. Junior captains are #1 runners of the season, Kyle Howard and Michelle Belander. The success of the season was made possible with the friendship, guidance, and support of Coach B.

The '87 soccer season was one in which the team's hard work, commitment, and Coach Horton's leadership paid off in accomplishment. The team qualified for the state tournament in Division Two. This was the first tournament appearance in ten years. Unfortunately, the *Raiders* ***were defeated by Rockland. Matt White led the team in scoring and set a school record of 11 goals this season along with four goals in one game. White, Scott Rose, and Rick Vasconcellos were all-stars, and the team was captained by Vasconcellos and Matt Thibault.***

Football

Years from now, when people look at the 1987 football record of 1-9, they will think of how disappointing the season must have been. Although we must say it was disheartening, we will never regret playing this season. Not many people realize how hard it was trying when the odds were so greatly against us. That was often the case when we would practice as hard as we could while being plagued with injuries. Throughout the season the team had to ignore predictions against us and keep working with the thought that we could win. The seniors who will never play again can always think back to how hard we all tried. None of us walked off the field on Thanksgiving Day with any regrets.

To the 1987-88 Gymnastics Team: Although this season was not a winning season, we had a great time. Because of you, the team, we were able to finish our last year in gymnastics with smiles on our faces. Because this team was a "team" and not just a group of individuals, we are sorry to see it end. We would especially like to thank Bill Barnicoat and Mike Leonard for being not only coaches but our friends through our four years in high school. If we had one wish for you, it would be for you to get in return all the happiness you have given to us. Thanks, we love you all.

Cheering

This year's football Cheerleading Squad had a very long and challenging season. Under trhe direction of their advisor, Wendy Castonguay, and co-captains, Kim Duddy and Kristen Zagorski, there were many positive changes made. It was definitely one of the best seasons ever, spirit and friendship-wise. They had many good times together, aside from their hectic game schedules and always tried their best to "cheer" the S.H.S. teams on to victory. Also, many special friendships evolved along with life long memories that will never be forgotten.

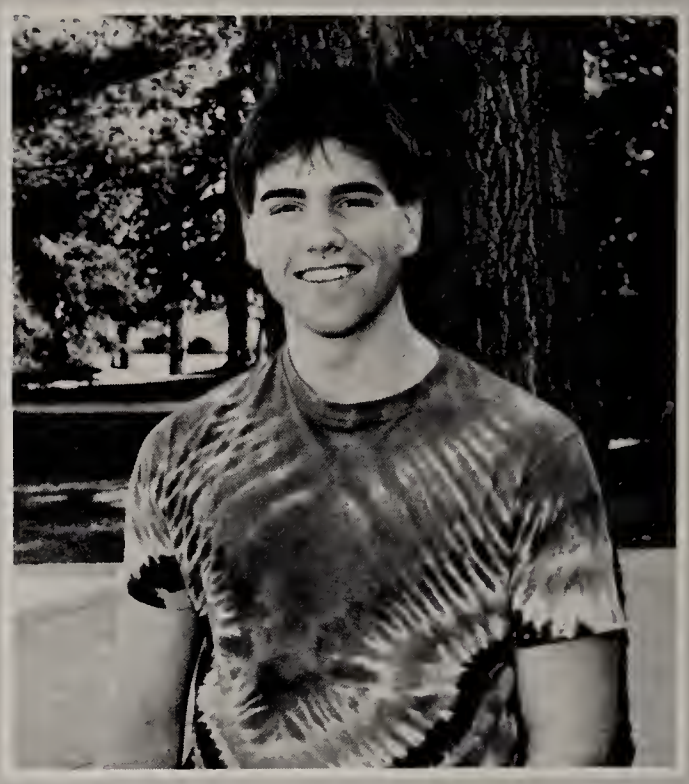
President's Message

Nathan Kelly



As our four years come to a close, I think we can say it has been a lot of fun. Our class has done a lot to make our years great ones. Everything from the New York trip to the semi-formal dance has been a great success. Most importantly was our domination of the case rally. No one will forget how we came from a last place in junior year to an uncontested first in '87.

Of course, this type of success does not come without hard work. My thanks go out to our diligent officers: Diane Bernardo, Karen Gray, Gia Anselmo, and Kristen Zagorski. These ladies did a great job. All of should be thankful to the hardest worker of all, Day. His efforts were endless and without much reward. This excludes, of course, the baked stuffed lobster Sorem paid for after we beat the juniors in the rally.

After graduation, when the celebrations begin, it will be good to know that we will be celebrating not only our success but our four years of good times and fun.

Nathan

Editors' Message:

During our four years at Somerset High School, each of us has made special friends and created special memories. As editors of the 1988 *Raider*, we hope that the yearbook helps bring back these memories. Although we put a lot of work into the yearbook, we would have never completed it without the help of Mr. LaMothe, our advisor. We would also like to thank Joe and Gary Geoffroy from Chestnut Hill Studios and Norval Garnett from Jostens for all of their assistance. Our thanks also to Kristen Vincent and Kelly Jones for all of their help and hard work. As the school year draws to a close and graduation nears, we would like to wish the best of luck to all of the members of the class of 1988 and to the juniors, sophmores, and freshmen. We hope that your high school years will be as memorable as ours have been.
